

Dear friends,

We are proud to have BET'S "Sunday Best" Finalist and Gospel Artist Serena Young headline our "Love and Justice II" music concert at 6 pm Friday, Feb 24, at Spiritus Christi Church, 121 N Fitzhugh St., Rochester NY. Tickets are available for \$25 through Eventbrite, and you may also attend virtually.

Dr. Martin Luther King Jr. once said, "Power without love is reckless and abusive, and love without power is sentimental and anemic. Power at its best is love implementing the demands of justice, and justice at its best is power correcting everything that stands against love." So, we bring you "Love and Justice II."

Serena Young is a Rochester native and someone who understands hurts of the heart caused by life, or injustice of any kind. If you have incurred hurt within the church, she leads an annual healing conference entitled, "My Heart Matters." A woman of deep faith, Serena understands that God's love holds within it healing power, which can give us a fresh start, to grow into our best selves, despite our struggles. Serena is known by those in her inner circle as someone who challenges you to check your heart posture, and to be a better you, through faith in God!

Serena's voice is captivating, ranging from smooth and sultry to churchy. Everything she sings takes you on a spiritual soul-stirring experience that you will never forget. You will find her many gospel recordings on Apple Music, Spotify, Soundcloud, All Music.com, Deezer.com, songselect.ccli.com, gospelminds.com, as well as TikTok and other social media platforms. When you attend this concert, you are in for a treat!

Our "Love and Justice II" concert will take you on a journey of the heart, where you will experience the spirit of God move you. Micah 6:8 says, "And what does the Lord require of you except to be just, and to love kindness and to walk humbly with your God." We hope you will join us by purchasing a ticket. And let's walk with God together through this incredible musical fundraising experience for the Min. Franklin D. Florence Civil Rights Park and the work in the community of the Black Community Focus Fund (BCFF).

The BCFF is charged with serving underserved populations in the heart of Rochester. The Spiritus Christi Anti-Racism Coalition (SPARC) works to dismantle racism. These organizations as well as partner churches, businesses, and government organizations are working to develop the park, which will tell the story of Rochester's Black Freedom struggle, highlighting freedom fighters, truth tellers, and voices for justice within our own community.

Please come and join us for a wonderful afternoon!

Sincerely,

Rev. Myra Brown, pastor of Spiritus Christi
