Awareness to Action: A Leadership Seminar on Racism

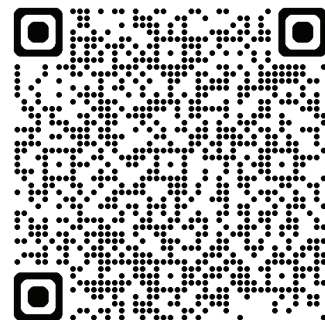

Half Day Educational Session

- Begin to learn the history of Rochester's segregation and discrimination practices
- Unpack the dynamics of systemic racism and how it shows up in personal and professional spaces
- Reflect on the ways racism may be affecting you, your team, and your organization
- Hear from other leaders of diverse backgrounds what they've found helpful – and what hasn't worked
- Identify steps you can take to become a more effective leader or influencer
- Access resources for continued learning and growth.
